Krav Maga

Krav Maga is a self-defense system designed with ease of use, aggression and efficiency at its core. I've been part of Krav Maga Worldwide for approximately 6 years now.

Reading

Reading is one of the most important aspects of my life. My interests lie within various genres, but recently I've been hooked on fiction such as the Red Rising trilogy and the Stormlight Archive.

3D Modeling

Another one of my hobbies is 3D modelling. During Game Art and Animation, I had created many models and environments utilizing software such as Autodesk Maya/Max/Mudbox, Photoshop, Headus UVLayout, XNormal, Unreal Engine and more.
